Head for "The SouthWest", then follow the M5 and go passed Exeter, turn off at the A30, and continue for approximately 90 miles. Finally turn off the A30 at the Redruth intersection, drive following signs for Treasure Park (formerly Cornish Goldsmiths), and head towards Portreath on the B3300.

After about 2 miles you will pass through the small hamlet of Bridge, but continue for another mile to the village.

You will see a hanging sign for Bassets Acre Holiday Apartments on your left, just before the garage.
